

Dining: July 12, 2007

Spice up your life! If you're a pepper freak like me, you'll welcome **DaViola Gourmet Pizza Peppers**, which are now available at **Albertsons** supermarkets and elsewhere. We all have a jar of chili flakes for pizza in the hamper. Well, now you can customize your pizza with DaViola dried peppers, which come in flavors like **Spicy Ancho, Smoky Chipotle** and **Hot Habanero**—a gourmet twist on an old idea.
